

Task 1

Map

Chorleywood is a village near London whose population has increased steadily since the middle of the 19th century. The map below shows the development of the village.

III. Body 1 (1868 – 1922)

1. Next to main road

Between 1868 and 1883, the village of Chorleywood was located next to one of the main roads.

2. Chorleywood Park + Golf Course

Today, Chorleywood Park and Golf Course ...

- have been *constructed*
- have **emerged**
- next to the original location of the village.

3. 1883 – 1922: South

In the next period, the village expanded to the South/ southward.

4. 1909: railway + rail station

In 1909, a railway and a rail station were built, ...

(+ purpose?) which facilitated transport from West to East.

PRACTICE – Adding purposes

Today, Chorleywood Park and Golf Course have emerged next to the original location of the village, which

“cater to the ... needs of ...”

“which cater to the recreational needs of the residents.”

IV. Body 2 (1922 – 1994)

1 – along the railway

From 1922, further expansion was recorded along the railway, ... and the village doubled in size.
(recap)

2 – 1970: motorway (+ purpose)

In 1970, a motorway was built which allowed the villagers to travel from North to South.

3 – 1970 – 1994: expand at intersections

In the period between 1970 and 1994, the village expanded where the motorway intersects the railway and one of the main roads.
